# **PUBLIC NOTICE**

## **A Consultation on Proposals to Reform the Human Rights Act 1998**

The Human Rights Act gives you legal protection of your human rights, such as your right to life, or your right to a fair trial.

The review clearly seeks to impose a rights culture that displaces personal responsibility in favour of "the public interest".

Under the proposed reforms it is clear that Parliament is seeking to impose itself as arbiter of when a person can have human rights and when they cannot.

**This is disgraceful.**

It does not matter the crime, major or minor, a person's inalienable and fundamental human rights should always remain intact, including autonomy over their own body.

**This consultation closes at 11:59pm on 8 March 2022**

# HUMAN RIGHTS ACT

## REFORM PROPOSALS

### WHAT YOU NEED TO KNOW

# 1

#### WHAT DO YOU MEAN THE WHOLE HUMAN RIGHTS ACT?

The whole Human Rights Act 1994 will be done away with.

#### BUT SURELY THEY CAN'T DO THAT?

They can if they get enough support in the Houses of Parliament - we therefore need to make sure MP's know that we would no longer support them if they support this.

#### HOW DO WE DO THAT?

We get out on the streets, 26th Feb being a great opportunity, and we make some noise.

We also take the time to email them, you can use the template found on the link below.
