

One Small Town
IS CHANGING THE WORLD

Transform Your Town Into a Place of Prosperity and Abundance.

**A Unique Integrated Community Development Plan
Driven by You and Your Community.**

Taking Control of Our Own Future and Our Destiny

Imagine a beautiful world filled with harmony, joy, peace and abundance. The kind of world we have all dreamed of. We are creating this world for ourselves, for our families and our communities. Not at some stage in the distant future, but now, in our own lifetime.

If you are tired of working like a slave just to make ends meet; If you believe there is a better way for us to live and thrive; If you know that cooperation and collaboration creates prosperity; the ONE SMALL TOWN initiative is the place for you.

Only 3 Hours per Week to Create Unlimited Benefits for Ourselves

Be part of a united community working together because we choose to. Our contribution of 3 hours per week creates a powerful united labour force that can achieve anything we set our minds to.

Members Will Receive the Following:

INFINITY Token

Receive one INFINITY token for every 3 hour contribution.

A Basket of Goods

A monthly basket of goods of everything that we grow, manufacture or produce

Profit Share

Monthly profit share. Equal distribution of all profits from our businesses.

INFINITY Token – A True Reflection of Human Sweat Equity

The INFINITY token is the only community token which is backed by real human sweat equity.

OST Members earn ONE INFINITY token for every 3 hours of contribution towards their community project or business.

Members are required to contribute a minimum of three hours per week, and a maximum of three hours per day to receive members' benefits. Every member has an OST digital wallet connected to their account.

One INFINITY token is automatically allocated to your digital wallet for every three-hour session that you complete.

Members can trade their tokens on the OST Platform and send tokens instantly and free of charge to other members.

The value of the INFINITY token keeps growing with the growing number of members around the world and the time they contribute to their communities. That is the reason we call it INFINITY.

A day introducing the *One Small Town* initiative

The Matara Centre, Kingscote Park, Nr Tetbury, GL8 8YA
Sunday, 26th November, 10.30 am (10.45 start), till 4.30 pm.
